

WORKPLACE PRODUCTIVITY

Solutions

Get Smarter. Get Stronger. Grow Faster

Microsoft Office and Microsoft 365 offer a diverse suite of productivity applications designed for businesses looking to move to the cloud.

Ask yourself these simple questions... are you:

- Still operating an exchange server in-house?
- Already using a range of Microsoft Office applications?
- Looking to work anywhere from any device?
- Trying to achieve better team communication and collaboration?
- Looking to reduce system cost and upkeep?
- Requiring advanced security for your business emails?

If you've answered yes to one or more of the above questions, then the team at Vinergy is here to help.

We are experts in Microsoft Office 365 and Microsoft 365 solutions and we work closely with you to understand your needs and current pain points. Vinergy brings together the best solutions for the way your business works today and into the future.

The Vinergy Difference

- We are local and like-minded – we too are business owners and decision makers.
- Our team is experienced, knowledgeable and competent.
- Our approach is non-corporate, non-jargon professionalism.
- We are proactive, responsive and accountable.
- You will have a single point of regular contact.

Our 5 Point Customer Promise

1. We will treat your business as if it were our own
2. We will keep your business running
3. We will make your life easier
4. We will allow you to focus on what you do best
5. We will make your business smarter, stronger and help it to grow faster.
